Si aún no tenés cuentas vinculadas, ingresá al botón **Nuevo** y seleccioná **Representación legal**.

The screenshot shows the 'Ciudadano Digital' web application. On the left is a dark sidebar with a menu: 'Mi escritorio', 'Servicios', 'e-trámite', 'Mis datos', 'Mis documentos', 'Mis comunicaciones', 'Tutor Digital', and 'Mis representantes y autorizados' (which is highlighted). The main content area is titled 'Mis representantes y autorizados' and features a search bar with the placeholder '¿Qué estás buscando?'. Below the title is a dropdown menu currently set to 'Todo'. To the right of the main content area is a vertical panel with a blue 'NUEVO' button. A dropdown menu is open from this button, showing two options: 'Nueva relación' (with a plus and person icon) and 'Representación legal' (with a briefcase icon). The 'Representación legal' option is highlighted with an orange rectangular box, and an orange hand cursor icon is pointing at it. Below the dropdown panel are links for 'Colapsar todo' and 'Expandir todo'. At the bottom of the main content area, there is a section titled 'Representados' with a small icon and a downward arrow.
